Dear Sir and Madam:

If you the Supreme Court in the State of Michigan rule for the proposed Court Rule No. 2003-47 I feel that you will again taking away the right of the many citizens in this great state from receiving equal treatment which they are entitled to.

The crisis in the State of Michigan regarding asbestos litigation is the fact that big business, corporations, the asbestos industry and law firms like Dickinson Wright feel free to try to take working peoples lawsuits out of court and away from juries.

Thank your for any consideration that you may give.
